24/7

automatic booking

THREE BOOKING MODELS One platform, *three models.*

Service

Person to person

Clients pick a team member, a service and a free slot. Parallel calendars, automatic conflict protection, SMS + email reminders.

Event

Fixed time · max. capacity

Many participants in one time slot. Capacity limit, waitlist, QR ticket. For workshops, group classes and events.

Resource

Court · room · equipment

Clients book a court, room or piece of equipment — by time window. 24/7 self-service, maximum utilisation.

ADD-ONS Switch on exactly *what you need.*

- ✓ **SMS reminders** — -40% no-shows: an automatic reminder before the appointment.
- ✓ **QR ticket** — for events: paperless, fast check-in from a phone.
- ✓ **Google review collector** — more positive reviews, automatically, after each booking.

- ✓ **Google Calendar sync** — every booking right there in your own calendar.
- ✓ **Recall campaign** — win back past clients automatically.
- ✓ **Embeddable booking widget** — put the booker on your own website.
